

# Faculty Recommendation Form for Peer Tutors

**Instructions for Tutor Applicants:** A complete application includes one faculty recommendation. The faculty recommendation must come from the instructor who taught you in a course you wish to tutor. Your completed faculty recommendation form should be submitted to SACC in room NVC 2-116 along with your other application materials.

**Instructions for Faculty:** The student who has asked you to provide this recommendation would like to become a peer tutor in the Student Academic Consulting Center at Baruch. In a nutshell, a peer tutor must have a high level of content mastery as well as solid communication and interpersonal skills. Please complete this recommendation form and submit it via email to [SACC@baruch.cuny.edu](mailto:SACC@baruch.cuny.edu). For security reasons, emailed recommendations will only be accepted if they originate from your Baruch faculty email address. You may also submit forms on paper in a sealed envelope with your signature across the flap. For your convenience, you may also submit your comments via email to [SACC@baruch.cuny.edu](mailto:SACC@baruch.cuny.edu) from your campus email address.
